Frog: Wow – I’ve never seen a place like this before!

You: Where are you from?

Frog: Well, I’m glad you asked! Here’s my story

(Music starts)

You: Hold on...you have music?

(Song)

When I was a little bitty tadpole

All I had was a big ol' tail

Then it shrunk and I grew some legs

Then I went hopping on down the trail

The sun went down and I heard some noise

Lot's of croakin' and hollerin'

It was a big ol' party with lots of frogs

And I heard on say "hey jump on in!"

Because we're Swamp critters, pond buddies

Swimming with them mud puppies

Splashing all around in them weeds

We're sunnin' on a Lily pad

Playing with them crawdads

Hoppin on the banks of the creek, this life's for me

You: Well that's cool! Ok, so I see your from the swam—
(get's interrupted by the Frog singing again)

Grandpa was a big ol bullfrog
Taught us to know right from wrong
How to catch a fly and jump real high
Croak real loud and sing this song

Because we're Swamp critters, pond buddies
Swimming with the mud puppies
Splashing all around in the weeds

We're sunning' on some lily pads
Playing with the crawdads
Hoppin on the banks of the creek, this life's for me

You: Ok...that's cool! You know I've never to the swam---
(get's interrupted by the Frog singing yet again)

Frog on a log
Frog on a log
Nothing as cool as a frog on a log

Frog on a log

Frog on a log

Nothing as cool as a frog on a log

Because we're Swamp critters, pond buddies

Swimming with the mud puppies

Splashing all around in the weeds

We're sunning' on some lily pads

Playing with the crawdads

Hoppin on the banks of the creek, this life's for me

(Song ends)

You: Wow the swamp sounds like a great place!

Frog: It sure is...well I better get going

You: Are you going to sit on a log? I heard there's
nothing cooler

Frog: Yep.... Frog on a log, Frog on a log, nothin' as cool as
a frog on a log.
