SONG –

I'm the King of the Jungle, I'm a righteous gent

My big ol' hair is the mane event

I'm a whole lotta fun, I ain't no bore
You'll know what I mean, when you hear me ROAR

I'm at the top of the chain, I'm part of the pride
I got my brothers and sisters here by my side
I have a whole lotta buddies, but I'm looking for more
I hope you'll be my friend, when you hear me ROAR

I'm not always loud, I like to kick back
Sitting in the shade, I'm a real cool cat
But when I hear the music, I gotta hit the floor
Come on everybody, time to dance and ROAR
time to dance and ROAR
time to dance and ROAR
time to dance and ROAR
time to dance and Meow!
You Oh come on, that's not a Roar...
(put Lion away laughing)
