You: Hmm...what kind of animal are you?

Rabbit: Are you kidding me? You really can't tell?

You: Well I'm not really sure...

Rabbit: Well try to guess - (smacks his teeth)

You: Well you have big teeth there

Rabbit: Yep, that's so I can eat veggies and CARROTS!

You: Hmmm... What animal likes Carrots?

Rabbit: C'mon, you know..... I'm a rabbit!?

You: I'm not sure...I thought rabbits had ears that stick up like this... (Lift ears up)

Rabbit: Hey, no! Not all rabbits look like that! Let go of the ears!

You: Alright! (let go of ears) Hey look they flop!

Rabbit: Yep, that's because I'm a Lop-Eared Rabbit!

You: Lop eared? That is cool!

Rabbit: Yep and I have big feet too!

You: Why do you have big feet?

Rabbit: You have a lot to learn about Rabbits!

(SONG)

I'm a rabbit and I hop, hop hop

And my ears go flop, flop flop

I'm a rabbit and I hop, hop hop

All over, oooh

I'm a rabbit and I hop, hop hop

And I'm never gonna stop stop stop

I'm a rabbit and I hop hop hop

All over, oooh, oooh

Horses run in the fields all day

And the fish they swim all around in the bay

And the birds they fly in the sky so high

Ooo h The sky's too high for me!

I'm a rabbit and I hop, hop hop

And my ears go flop, flop flop

I'm a rabbit and I hop, hop hop

All over, oooh

I'm a rabbit and I hop, hop hop

And I'm never gonna stop stop stop

I'm a rabbit and I hop hop hop

All over, oooh, oooh

(La Las)

Cheetahs are real fast you know

But Tortoises are super slow

And the crabs walk sideways through the sand

Ha, sideways, what?

I'm a rabbit and I hop, hop hop

And my ears go flop, flop

I'm a rabbit and I hop, hop hop

All over, oooh

I'm a rabbit and I hop, hop hop

And I'm never gonna stop stop stop

I'm a rabbit and I hop hop hop

All over, oooh, ooh

(La Las)

And I'm never gonna stop,

Come on sing it with me!

You: That was great! ... but I thought Rabbits had ears like this... (hold up ears)

Rabbit: Let go of the ears!

You: Okay sorry! (Laugh as you put him away) Thank you!
