(Dramatic intro music)

You: Hey kids! I'm Steve the Explorer, and I'm a paleontologist. That means, I study Dinosaurs

D Rex: Roarrrrrr

You: Did you hear that? I did...Can you guess what it is? (kids yell out answer as you look around for the din))

D Rex: Roarrrr

You: That's right, a dinosaur..It's a T-Rex! Now there's something really different about this one... (pulls out dinky Dino and sets him down). This one is little!

D Rex: Roarrrrrr (cough cough)

You: His name is CHOMP!

D Rex: Hey Everybody! Nice to meet cha!

You: Now chomp, did you know that I'm a Dino expert? I know everything about Dinos

D Rex: Oh you do, do you?

You: Yes! I'm the greatest paleontologist of all time!

D Rex: Wait...a palea-what?

You: I mean I study dinosaurs

D Rex: Oh well...why didn't you say so...Come on hotshot...let's see what you got!

You: Ok let me see...hmmm...fact number one: T Rex's are really smart

D Rex: Yes! That's right, I'm one smart Dino! I always make sure to do my homework.

You: (Proud of yourself) Ok...Fact number 2: "Tyrannosaurus rex means "Tyrant Lizard King"

D Rex: Yes, "King of the Lizards"

You: Right...Lizard King

D Rex: KING of the Lizards...say it!

You: Ok...King of the Lizards (say it awkwardly)

D Rex: The Lizard King

You: (Gives him a strange look) hmm..Ok...Fact number 3...T-Rex's are really fast.

D Rex: Yep! I love to run!

You: And I know why you run, you are chasing something to eat!

D Rex: That's right...

You: Because you're a carnivore!

D Rex: Huh? What's that?

You: It means you eat meat

D Rex: Well yeah, but it's not my favorite food

You: (Looking confused) Wait What? It's not your favorite food? I'm confused...what else do you eat?

(Song starts)

Alright here's the deal, I think I'm a little bit misunderstood, so let me tell you a little bit about me

And it goes something like this..

I was born long ago in the Cretaceous period
My name means lizard king
And people think I'm really mean

They see my teeth and they see my claws
And they start running when I open my jaws
What they don't know bout me
Is that I really like CANDY!

(He really likes candy)

You: (looking around confused) Who's that?

D Rex: That's my DJ

Tootsie rolls and gum drops
Licorice and lollipops
All my friends like plants and meat
But I just want some sugar to eat!

My mom and dad said its ok
To have a treat maybe once a day
But too much candy's bad for me
And I don't want a cavity

(He don't want a cavity)

So if you see me coming, and running towards you, don't be afraid
I just have some jelly beans I wanna share with you
And maybe you have some candy to share with me
Don't worry, we'll brush out teeth afterwards
Ok? Alright

(We really like candy)

You: Hey there's your DJ again

(but we don't want no cavities)

You: He's right, you don't want cavities

(so we're gonna brush our teeth)

You: Brushing your teeth is pretty important

(song ends)

You: Wow...I learned a lot today...I guess I didn't know as much as I
thought I did

D Rex: Yeah...I guess you could say I'm a little different hahaha.

You: Ok I guess we could call you a CANDYSAURUS!?!

D Rex: Oh that's that's good...I like that

(He's a candysaurus,)

You: Alright, say goodbye to the Candysaurus (start to put the Dinky Rex)

(He's a candysaurus)

D Rex: I gotta go brush my teeth (Dinky Rex says this line while you are putting it away)
